### Product Detail

#### Item description:

100% Brand new and high quality.

This is a half-bridge load sensor, which is widely used in weight scales. When the half-bridge is stretched, it sends signal via the red signal wire. You can use multiple load sensors simultaneously to expand the capacity range.

Two sensors full-bridge measurements: 50kgx2=100kg

Four sensor full-bridge measurements: 50kgx4=200kg

Parallel use to add additional capacity

Capacity (kg): 50

Comprehensive error (%F.S): 0.10

Output sensitivity (mv/V): 1.0±0.15%

Nonlinearity (%F.S): 0.05

Repeatability (%F.S): 0.05

Hysteresis (%F.S): 0.05

Creep (%F.S/3min): 0.1

Zero Drift (%F.S/1min): 0.1

Temp. Effect on zero (%F.S/10°C): 0.3

Temp. Effect on Output (%F.S/10°C): 0.1

Zero Output (mv/V): ±0.3

Input Resistance (Ω): 1000±10

Output Resistance (Ω): 1000±10

Insulation Resistance (MΩ): ≥2000 (100VDC)

Excitation Voltage (V): 10

Operation Temp. Range (°C): -10~+50

Overload Capacity (%F.S): 150

Method of connecting wire: Red= Sig + ; White= Exc - ; Black= Exc +

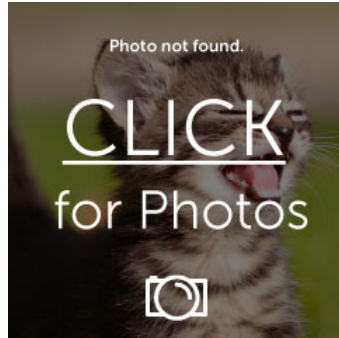

Dimension (mm): 34\*34\*8

**Package Included:**

4 xWeighing Sensor Strain Of Half-bridge Sensors

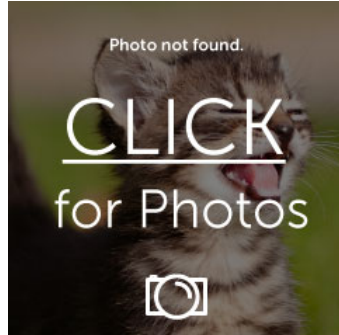

## Payment

1. We accept **PayPal only**.
2. All major credit cards are accepted through secure payment processor PayPal.
3. Payment must be received within 7 days of auction closing.
4. If you have bought multiple items from me, you can send me one payment for all the items instead of individually. When you click the Pay Now button, eBay will automatically determine if there are other items purchased from me and will combine them for your review.

## shipping

1. We Ship to Worldwide, except **Hong Kong, Italy, Nigeria.....**
2. Items will be shipped within one business day on payment received.
3. Items are shipped from China using Airmail, reach most of the countries within 10 to 20 business days.
4. Delivery time depends on destination and other factors, it may takes up to 20 business days.

## Returns

If you are dissatisfied with our item or service, then please follow the good eBay practice to contact us leaving :

1. **Any feedback. We are committed to resolve all issues in a friendly and satisfactory manner.**
2. We always reply to ebay messages within 1-2 business days. If you do not get a response from us, please send us an ebay message. we only reply ebay message, no send email.
3. Original and return shipping fee will not be refunded or reimbursed under all circumstances. You must agree to this term if you bid for this item. Therefore, please do not complain about having to ship back at your own expense.

## Feedback

1. Dear buyers, we appreciate your business, if you are satisfied with our service, please leave me a positive feedback.
2. When you rate the shipping time part please take international transit into consideration.
3. Your recognition will make us more confident to develop business and serve you better.
4. Our goal is to make sure you are a happy buyer and pleasant shopping with us
5. Please give us ebay message before leaving any 1 or 2 ratings, neutral, negative feedback or open dispute.
6. We understand the concerns and frustrations you might have, and will do our endeavor to resolve them. We have the opportunity to resolve any problem. Here is illustration shows how to leave me the feedback, please do it very much! And hope to see you soon.

## Contact us

1. If have any question, Please contact us by ebay message(no e-mail). Reply within 24hours.
2. We care about our valued buyers, if you have any questions, our Customer Service staffs will be very happy to help you.
3. We try our best to reply to your emails as soon as possible, however, due to high volume of daily incoming emails, there may be some delay in response, please understand, due to time zone difference,

4. We may not be able to reply your emails immediately.
