

Local Business Support Letter

Dear Sir or Madam

Julie Osgood (ID# 93802) has registered with Cancer Council Western Australia to host an *Australia's Biggest Morning Tea* event in May 2019 to raise funds for:

- Cancer research
- Education & prevention programs
- Support services for cancer patients & their families
- Improved treatment options

Many companies like to support their local communities by contributing to events held in their business precinct. We are writing to ask whether your organisation would consider supporting this event by:

- Dollar-for-dollar matching – the company agrees to match the funds raised.
- Cash donation
- Donation of goods or services – the company is unable to support financially, but would love to provide some goods/services to be used as raffle or auction prizes.

Cancer Council WA is a non-government organisation and therefore relies on the support of the community and businesses, so we are extremely hopeful you will consider assisting Julie's fundraising efforts. We are grateful of any support you can give to our valuable fundraiser to ensure the success of their event.

Yours faithfully

The Australia's Biggest Morning Tea Team
